We looked at the declaration in IFW and we can at least read the statutory requirements of 35 U.S.C. 115 in the declaration. Therefore, go ahead and let the case issue.

Hi-  
Application 10/810,933 was allowed 12/06 - Issue fee paid 1/07.  
I've spoken with Applicant's Attorney to request a legible Oath of Declaration and was told that they do not have a better copy than the one we have on record.  
Whats the right action to take?

Issue a supplemental Notice of Allowability objecting to the Oath  
or  
Have the Attorney furnish a new executed legible Oath  
Thanks  
Kenn
